MPU 2026 — Constitutional Questions

EC review and member education | Prepared October 11, 2026

Coverage: all 37 electoral issues in the uploaded “Mpu revised electiion needs” checklist, its additional Constitution-version/ratification question, and all five original questions exposed by the supplied Day 1 Google Form. These are review questions, not adopted rules or an authoritative answer key.

V21 is the selected election-procedures source. Answers require verification against the duly ratified Constitution; the uploaded checklist is a reference document.

Part I — Questions for Constitutional Verification

1. Constitution version / ratification status

Which exact Constitution version is duly ratified and controlling for this election? What record confirms its adoption, amendments, effective date and ratification status?

Controlling Article / Section and verification record: _____

2. Candidate eligibility

Who may nominate or be nominated under the controlling Constitution? Which age, membership, attendance, financial and office-specific qualifications must the EC verify?

Controlling Article / Section and verification record: _____

3. Active-member status

How does the Constitution define an active member and good standing? Which official records establish dues status and the applicable attendance requirement?

Controlling Article / Section and verification record: _____

4. Minimum age

What minimum age must a candidate satisfy, and what evidence establishes the candidate’s age?

Controlling Article / Section and verification record: _____

5. Minimum membership duration

What minimum membership duration is required to contest office? How is the membership start date verified?

Controlling Article / Section and verification record: _____

6. Candidate attendance requirement

Which attendance requirements apply to candidates with different lengths of membership? Which meetings and official attendance records count?

Controlling Article / Section and verification record: _____

7. Candidate presence at election

When does the Constitution require candidate presence? How does V21 document presence at the call for election and address an absent candidate?

Controlling Article / Section and verification record: _____

8. Financial standing

Which constitutional financial obligations and timing requirements apply to candidates and active members? Which MPU officer verifies the records, and how does the October 18 administrative records cutoff operate without changing constitutional requirements?

Controlling Article / Section and verification record: _____

9. Voter eligibility

Who is constitutionally entitled to vote? How does the EC verify the voter register against official membership, attendance, financial and LGA records?

Controlling Article / Section and verification record: _____

10. One vote per office

What voting entitlement does each eligible member have for each office? How are general offices and LGA-specific Board seats distinguished?

Controlling Article / Section and verification record: _____

11. Proxy voting

Which constitutional provision governs proxy voting? How do accreditation and voting-table controls ensure that eligible members vote personally?

Controlling Article / Section and verification record: _____

12. Board of Directors voting

Which Board positions are voted on by the membership generally, and which are voted on only by the applicable LGA? How are LGA eligibility and ballot isolation verified?

Controlling Article / Section and verification record: _____

13. Elective offices

What is the complete constitutional list of elected offices and seats? How does that list correspond to the office sections in V21 and the ballot?

Controlling Article / Section and verification record: _____

14. Nomination procedure

Which written declaration or nomination methods does the Constitution authorize? How are the nominator’s and nominee’s eligibility, the specific office and attributable submission verified?

Controlling Article / Section and verification record: _____

15. Required nominators

How many eligible nominators does the Constitution require? Is there a valid constitutional basis for requiring more than one?

Controlling Article / Section and verification record: _____

16. Nomination fees

Does the Constitution authorize a nomination fee? If a fee is proposed, what controlling provision or properly authorized decision supports it?

Controlling Article / Section and verification record: _____

17. Secret ballot

Which provision requires ballot secrecy? How do ticket handling, signatures, ballot issuance, assistance and recordkeeping avoid identifying a voter’s marked selections?

Controlling Article / Section and verification record: _____

18. Election method / winning threshold

What winning threshold does the Constitution require? How do V21 procedures calculate valid votes, abstentions and exclusions for each office without changing that threshold?

Controlling Article / Section and verification record: _____

19. Election quorum

What quorum applies to an election, and how is the controlling active-member total established? What constitutionally authorized action applies if quorum is not met?

Controlling Article / Section and verification record: _____

20. Election timing

When must the election take place under the Constitution? Does the planned November election correspond to the required quarterly meeting and election cycle?

Controlling Article / Section and verification record: _____

21. Term of office

What term of office applies to elected officers? What dates define the beginning and end of that term?

Controlling Article / Section and verification record: _____

22. Assumption of office

When do newly elected officers assume office? What transition steps must occur between the election and that effective date?

Controlling Article / Section and verification record: _____

23. Term limits / reelection

Which consecutive-service and reelection restrictions apply to each office? Which prior-service records establish a candidate's eligibility?

Controlling Article / Section and verification record: _____

24. Multiple offices

Which restrictions apply to holding more than one elected office, and how is committee service distinguished? How does V21 enforce one operative candidacy without amending constitutional office-holding restrictions?

Controlling Article / Section and verification record: _____

25. Spousal office restriction

What does the Constitution provide about husband-and-wife simultaneous office holding? What disclosure, screening record and competent decision resolve an actual or potential conflict?

Controlling Article / Section and verification record: _____

26. Presidential rotation

What is the constitutional presidential-rotation order among the LGAs? Which LGA is entitled to produce the President for this cycle, and what official record confirms that determination?

Controlling Article / Section and verification record: _____

27. Failure of eligible LGA to produce a President

What happens if the LGA whose turn it is does not produce an eligible presidential candidate? Which constitutional conditions govern passing the opportunity to the next LGA?

Controlling Article / Section and verification record: _____

28. Election postponement

Under what emergency or exigency conditions may an election be postponed? Which authority, consultation, decision, notice and limits does the Constitution require?

Controlling Article / Section and verification record: _____

29. Electoral Committee authority

How must the Electoral Committee be appointed and approved or ratified? Does the official election file contain the required appointment and General Assembly authority records?

Controlling Article / Section and verification record: _____

30. Candidate withdrawal

Does the Constitution prescribe a withdrawal process? Which parts of V21 are administrative procedures, and how are verified withdrawals, deadlines, late withdrawals and historical records handled without creating a new constitutional disqualification?

Controlling Article / Section and verification record: _____

31. Tie resolution

What constitutional provision or competent-authority decision governs a tie or failure to obtain the required majority? If the matter is a genuine gap, how is Article XII followed rather than assuming authority?

Controlling Article / Section and verification record: _____

32. Election complaints / petitions

Which constitutional grievance or petition process applies to each type of election concern? How are administrative record corrections distinguished from misconduct allegations and constitutional-violation petitions?

Controlling Article / Section and verification record: _____

33. Appeal authority

Which authority may review the particular decision or grievance? What constitutional basis establishes jurisdiction before the Board of Directors is treated as an appeal body?

Controlling Article / Section and verification record: _____

34. Vacancies / special elections

Which constitutional procedures apply to vacancies, temporary appointments and subsequent elections? How are those procedures kept distinct from the regular general-election process?

Controlling Article / Section and verification record: _____

35. Campaign conduct

Which existing constitutional member-conduct provisions govern election and campaign conduct? How does V21 apply them neutrally and uniformly?

Controlling Article / Section and verification record: _____

36. Campaign sanctions

Which sanctions and disciplinary processes are constitutionally authorized? Which authority may impose them, and what process is required before any candidate disqualification or other substantive consequence?

Controlling Article / Section and verification record: _____

37. Transition / handover

What records, property and responsibilities must outgoing officers transfer? Which constitutional steps, responsible persons and timeline govern formal handover?

Controlling Article / Section and verification record: _____

38. Unforeseen election matters

When the Constitution does not cover a matter, what Article XII process applies? What roles do the Executive Council, General Assembly and any urgent President-led consultation and reporting process have?

Controlling Article / Section and verification record: _____

Part II — Original Day 1 Member Questions

Original question wording and choices are preserved. The answer key was not exposed, so no answers or scores are supplied.

39. Does being an MPU member for more than six months automatically qualify a person to vote?

☐ Yes

☐ No

40. A member of less than one year attended only one quarterly meeting. Can that member vote?

☐ Yes

☐ No

41. If required dues are not received for six consecutive months, the membership may become:

☐ Active

☐ Elapsed

☐ Permanent

42. A member attended 3 of 4 quarterly meetings but is financially delinquent. What does the Constitution provide?

☐ Automatic termination

☐ Suspension with two meeting opportunities to redeem the financial obligation

☐ Nothing happens

43. Does paying current dues automatically restore an elapsed member’s voting eligibility?

☐ Yes

☐ No

Source and Review Notes

Uploaded reference: Mpu revised electiion needs.pdf — constitutional compliance checklist, including its final version/ratification-status note.

Selected procedures: MPU-2026-Election-Rules-and-Forms-V21-Updated-Timetable-Draft.docx. Selection for the portal does not change the wording or adoption notice in the source.

Original Day 1 Google Form: https://docs.google.com/forms/d/e/1FAIpQLSdjCWm_eV_--m-wntlw-GWCBjKRglvi2ehPvxrush4CTsdqBw/viewform

The education landing page and Apps Script client were inspected. The complete server-side randomized question bank and answer keys were not exposed by those pages; this document does not claim to reproduce that hidden bank.

EC review should record the controlling provision, constitutional version, evidence, competent authority and decision. Nothing in this question list creates a new eligibility requirement, fee, sanction, appeal jurisdiction or election procedure.
